THE HOSMER'S

LEFT: 2 U.S. MARINES BAPTIZED IN JESUS NAME ON EASTER SUNDAY. ANOTHER WAS FILLED WITH THE HOLY GHOST. TOP: REV. DOAN FUNERAL SERVICE.

Just a quick update for the month

- We are still in shock of the passing of our dear friend Bishop David Doan. He is greatly missed! Words can not express what tremendous leader he was. Even to this day I find myself thinking "What would Bro. Doan do in this situation." It is strange not having him there to call if I had any questions etc.
- So good to have Rev. Marsh come and minister to our Bible School Students on Pastoral Leadership. His teaching as impacted our students.
- We had a few U.S. Military Baptized this month and another young Marine that had been baptized a few weeks back got the Holy Ghost!
- We have also been teaching online and in person for Bible School Classes, Daily Devotionals, and Sunday Services.
- Much work has been done in preparation for Sis. Hosmer and I to return to the states for deputation.
