THE HOSMER'S

Just a quick update for the Hosmer Family

This month we spent most of our time in Main land Japan. First we took a ferry from Okinawa to Kagoshima (24hrs). Then we drove to Tokyo for the Northern Region Conference and our Missionary Field Fellowship. On our way there and back we stopped off in Hiroshima, Osaka,, Kyoto, Iida, Ishinomaki and Sendai with a total 4800 kilometers of driving. Then we took the ferry back to Okinawa.

What a blessing it was to Minister in many of these cities in different churches and preaching points. So thankful the National Board has approved a new Preaching Point in Iida City. One was recently filled with the Holy Ghost from that city in our Northern Region Conference.

Brothers Allan and Lynden Shalm were with us in the Northern Region Conference being held in Tokyo, Japan. They were both such a great blessing to this meeting. At least 6 were filled with the Holy Ghost in this meeting.

Missionary Field Fellowship in Tokyo Japan was just wonderful. Both the business sessions and the fellowship was great. We all had the opportunity to go to Mt. Fuji and enjoy each others company on the way.

Preaching Point in Miyako Islands is experiencing a lot of growth in their attendance.

Next month will be filled with a lot of Administration and preparation for the new year, Christmas events end of year celebrations.

Thank you again for all your prayers and support.
