

# THE HOSMER'S

LEFT: SISTER HOSMER'S MOM AND AUNT BAPTIZED IN JESUS NAME!  
 ABOVE: FELLOWSHIP WITH STAFF AFTER AN ANNUAL PLANNING SESSION.

## Just a quick update for the month

- Sister Hosmer's 88 year old mother and her 85 year old Aunt was baptized in the only saving name of Jesus! This is an answer of prayer of almost 30 years. What an amazing prayer answering God we serve!
- Started Purpose Institute Semester I in our campuses in Okinawa and in

Miyako Island. This will be the third time going through this material with these campuses. Currently we have 10 students that are ready to graduate 4 years.

- Finally able to gather together for some fellowship after an annual

planning session with our staff from our Uruma city campus.

- Church Spring Cleaning and a lot of painting.
- We are always looking for opportunities to do outreach. Spending our days off in areas that God may lead us to new people.
