LEFT: TRAVIS CRAIG BAPTIZING A MAN ON MIYAKO ISLAND

Just a quick update for the month

- I believe we are seeing the back side of the second wave of the Corona Virus. We have once again opened our doors for small groups, preaching points and church services.
- Still actively looking for a facility to use as a church building in Nago City.
- But we are meeting in a rented government room for the time being.
- Doing a lot of outreach and fellowship and focus on both kids, youth, young adults and men's meetings.
- Spending a lot of time with our family with outreach and BBQ. My father in law recently related that he wants to be baptized in Jesus name. I am expecting to see that any day now.
- Exciting to see a baptism in Miyako island. Brother Craig shared this amazing report. I remember teaching bible studies to this man about a year ago. God is moving in Japan!
