MONTHLY UPDATE - JAPAN/RYUKYU ISLANDS

Left: Praying a Japanese man through the Holy Ghost.

Above: Sister Hosmer is baptizing a Japanese woman in the precious name of Jesus!

This month has been so very busy. Flying back and forth from Okinawa island to Miyako Island and then to Tokyo and back to Miyako! We certainly are in the midst of a great revival. Many have been baptized and filled with the Holy Ghost this month. One Japanese man got the Holy Ghost on his first church visit. Recently Sister Hosmer was blessed with the privilege to baptize a Japanese woman in Jesus name in a bath tub.

We have been doing some more worship evangelism. This is so

much fun taking our worship team to the streets. As Rev. Craig has recently returned to the states for deputation, We have been taking care of the work on Miyako Island. It is exciting to see the spiritual hunger in the saints that live there. It is only about a 1 hr flight to this island.

We are still putting the emphasis on Youth and Evangelism. We have seen God do so much with our youth. Just last week a Japanese teen was filled with the Holy Ghost. Previously he was baptized in Jesus Name! This week he is going to Tokyo

to be at the Japan UPC National Conference! These youth have found a church in Japan that love them.

Please do keep us in your prayers as we are doing much travel. -Weekly traveling to a different island for Sunday evening services and a mid-week Life Group meeting then returning back to Okinawa for Prayer meetings and Sunday morning services.

We are preparing for our National Conference in Tokyo in May and then hosting an AYC trip in June.
