

Left: Praying for some youth in a youth service. Above: Already turning Spring here in Okinawa. Was able to visit an old castle ruins in Nakajin Village.

This month has gone by so quickly. We said goodbye to Aimer Timothy Kendall. He was here with us for 2 months. What a blessing. We did so much work when he was here. Throwing away trash and organizing our storage rooms etc. He even helped organize our church library. Aimer Jamie Davis is doing a great job with our youth. Our focus this year is all about Youth and evangelism. Daily the youth come to the church and he is connecting with them. Teaching them English, doing small group ministries and also monthly Youth Services. I was very

excited to see my Nephew step up and be used of the Lord to translate from English to Japanese. And he did amazing! With that we are preparing to host Youth rallies to include other youth from other churches. Expecting great things to grow out of this.

We are currently in our second class of Semester 3 Purpose Institute. I am thankful to have Aimer Caleb Fallon and his precious family here in Japan. He is teaching the English students while one of our Japanese ministers is teaching in the Japanese language.

We are making preparations for hosting an AYC trip this June. I am also making preparations to help the work on Miyako Island as Bro. And Sis. Craig are preparing to return for deputation. I will be making a flight in March to connect with them to ensure a smooth transition. Let me finish this monthly report with some praise! God has been moving on our Friday night bible training / Prayer night. More and more people are being drawn out to this night and God is doing some deep work on the hearts of his people. We are in revival and it is so exciting!

Aimer Jamie Davis leading the youth Service

Fellowship with Davis, Ward and Panton Family

Bro. Panton Preaching Youth. My Nephew translating!
