MONTHLY UPDATE - JAPAN/RYUKYU ISLANDS

Left: Ministering in Uruma City

Above: Our Daughter got engaged

Again a lot of travel this month. Weekly Bro. Hosmer is flying between islands to one of our daughter churches. The church in Miyako Island is growing in our midweek small group and we are expecting a great outpouring of the Holy Ghost very soon.

Aimer Jamie Davis is doing a great job in leading the Youth Group at the Sound of Praise Church in Uruma City. So exciting to see how much these kids have grown in the Lord under his ministry.

We have begun changing our weekly Life Groups from being location based groups to more of a discipleship training type groups. Many years ago Bro. Hosmer put together a simple Bilingual Discipleship training program. Our goal is to not only produce disciples! We fully are training to produce disciple Makers. These Leaders will train the next generation of Disciples.

We are so very happy that our youngest daughter Dorothy had gotten engaged this month. She has been so very faithful in the work of God all of her young adult life. Not only is she our

Worship Team leader but has been a translator, and Sunday School teacher!

We were able to give thanks to the hard working Staff Team Leaders of our main campus in Uruma City. It takes a team that works together to be effective. Sure do love this great group.
