A lot of travel has been taking place this month. January has had us so very busy. Bro. Hosmer is in Okinawa for an afternoon service in Uruma City then flies to Miyako Island for an evening service on Sundays. Then returns a few days later. Japan is an island nation and often this is our only way to travel!

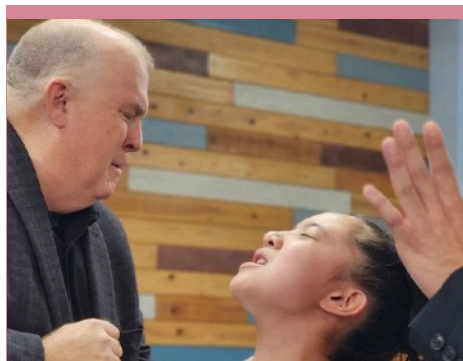

In Uruma city we have been experiencing some amazing moves of God. Many have been filled with the Holy Ghost and baptized in Jesus name. We have put a lot of attention on Evangelism and Youth. Below is some of the results.

We are redesigning our Life Groups to be focusing on Discipleship and Leader/Minister Training Life Groups. We are doing our best to retain the harvest the Lord has given us. Bro. Hosmer was able to travel from Miyako Island to Mie Prefecture to connect with some churches and leaders in that region. The intent is to return again mid March for a Rally of a few churches in that region. We are doing our best to take advantage of Digital and Social Media for use with streaming in many avenues. We stream our Sunday Bilingual services, Friday night Bible Studies and

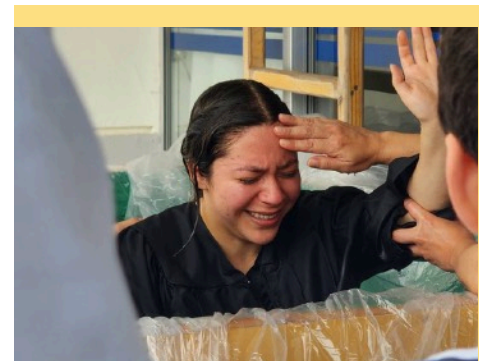

Prayer meetings, and Daily Devotionals. We seem to be growing an audience from all over the world! The month of February we are planning a special Men and Women Fellowship on our Life Connections Weekend. Also that weekend we encourage our daughter churches to attend for fellowship and potluck. The work in Miyako Island seems to be doing well. This last Sunday we had 4 different language groups attending. English, Japanese, Polish and Tagalog. We are planning on a Holy Ghost rally here in February .
