MONTHLY UPDATE - JAPAN/RYUKYU ISLANDS

Left: Asia Strategic Planning Session
Above: Our Son in law baptizing a young man after he received the Holy Ghost

Such an exciting month. Again it has been filled with a lot of travel. We have been taking care of a daughter church on the Island of Miyako. There, the midweek service is the most attended. We have a great time of fellowship and we were able to see a few pray and be blessed by God. This month we also traveled to Mie prefecture to the city of Matsusaka. Here we had three churches gathered together. On Saturday we had some seminar classes on evangelism and ethics. On the Sunday service we had many pray through and

at least 8 were filled with the Holy Ghost. In our Uruma campus my son in law was able to baptize a man in Jesus name. Earlier that day he was filled with the Holy Ghost! The youth in the Uruma campus have been growing in numbers and also growing spiritually. It is so exciting to see the youth get closer to God! Also the staff and ministers that work in the Uruma campus were able to gather together for a special time of fellowship. They all work so hard and we simply wanted to say thank you for all of your hard work!

Finally, I like to share that we just returned back to Japan from a very special time in Vietnam. There we were gathered together with other missionary families in the Asian Region. We had a time of Strategic Planning and I believe it really helped us. The fellowship alone was worth the time together. Everyone left with greater faith and expectation. God truly as been so very good to us.
