MONTHLY UPDATE - JAPAN/RYUKYU ISLANDS

What an amazing God we serve! I was able to support and attend the Northern Region Conference in Tokyo, Japan. Bro. Vic Votaw was back and he greatly ministered to the work here. Several received the Holy Ghost and I believe the church body was blessed. Also I have been traveling back and forth from Okinawa Island to Miyako Island. We are supporting that work while Brother and Sister Craig are on deputation. It is very exciting to see such an International group gathering together. Brazil, Poland, Japan, Philippines and America.

This month we were able to do a church family camp at the Okuma beach resort. Everyone had so much fun and it was great to be with the body of Christ. There was so many activities and I am sure we all had a great time. We even had our Sunday Morning worship service outside near the ocean!

I am so thankful for Aimer Caleb Fallon for his support in teaching our Purpose Institute students. We currently are in our 4th Semester and already a couple in these classes have received a calling into the ministry!

Next month we will be hosting a Southern Region conference and we are expecting a great move of God. Please do keep us in your prayers. Several churches from Osaka down to Okinawa will be gathering together. We are expecting to graduate 15 students from 2 and 4 years of Purpose Institute.

We are praying for Israel and one of the ladies in our church had recently returned back from a summer vacation there. She brought this flag back with her and it is just fitting for all the events taking place there now.
