First Quarter 2023

First we want to say a very big **THANK YOU** to all of our financial and prayer supporters. We are in this together. **God is moving in Japan!**

-It seems that every week someone is either getting filled with the **Holy Ghost** or being **baptized in Jesus Name**. Recently we have seen several U.S. Military and their dependents get saved. We are in an amazing season of harvest as we are continuing to focus on **Youth and Evangelism**. We have taken our worship team out to the streets and pass out invitations to our services. Small groups are growing with new visitors.

-We are so grateful to have been blessed with a new **Move the Mission Vehicle**. We easily put about 1,0000 KM a month on this tiny island of Okinawa.

-We are currently in our 3rd Semester of **Purpose Institute**.

-Friday evenings we have special classes in both the Japanese and English languages for training. Then we join together for an **Apostolic Prayer Meeting**. These times of prayer have been so intense and God is awaking the intercessors and prayer warriors to pray for His Kingdom. It has been simply amazing and the fervency of these prayer meetings have continued to birth a compassion for the lost that is compelling us to be moved into action!

Above: Youth baptized in Jesus Name. It seems People receiving their Baptism and Holy Ghost certificates. Worship and Outreach Evangelism. New Move the Mission vehicle.
