First Quarter 2024

First we want to say a very big **THANK YOU** to all of our financial and prayer supporters. We are in this together. **God is moving in Japan!**

- This last few months have been so very busy. Weekly, we have been traveling between islands in the Ryukyu archipelago. Uruma City is our main campus and about an hour flight away is a smaller island of Miyako. The work there is growing and we are taking care of that work while Missionary Craig is on Deputation.
- We had the amazing opportunity to connect with other missionaries in Asia at a special Asia Regional Planning Session in Vietnam.
- We are so proud of how the Youth group is growing in Uruma City. It is so exciting to see these young people grow in their relationship with God. Aimer Jamie Davis is doing a great job with this group.
- Twice this quarter we were able to fly from Okinawa to Mie prefecture for some special services and training. There are several churches in this prefecture that are gathering together. God is moving in these services and many have been filled with the Holy Ghost.
