Third Quarter 2022

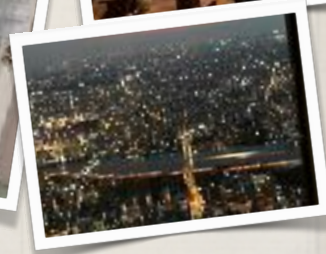

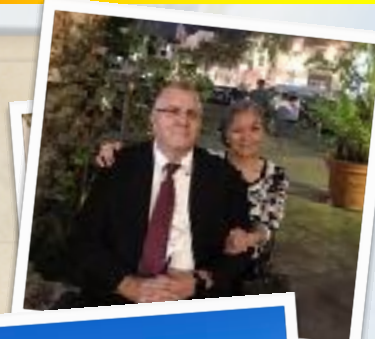

We want to first say a very big thank you to all of our financial and prayer supporters. We are in this together. God has been so very good to us.

-We were able to connect with a New Aimer (Aleah Fisher) in the wonderful city of Tokyo. We spent a few days together then traveled down to Okinawa. She was able to introduce Bible Quizzing to us here in Japan. This is a first for us. She has been such a blessing and helping us in so many things.

-Several people have recently been baptized in Jesus name. Not only Japanese but also U.S. Military are being saved.

-We are experiencing amazing revival with Japanese Children and Youth. So many of them have been gathering daily at the church during summer break. They are playing games and just hanging out. We have found that these kids just want a place to feel like they belong.

-So excited for our Friday night training. We have Purpose Institute in English and in Japanese. Also we have Discipleship training taking place in both English and Japanese.

Above: Aimer and previous (Real McCoy) got to check off her bucket list to ride in a Move The Mission Vehicle. /Japan General Conference 2022. / Final days of a Youth eventful weekend./ City View of Tokyo from the Tokyo Tree.
