

September 2022

Just a quick update for the month

This lady had just received the Holy Ghost at the Southern Region Conference we are hosting in Okinawa Japan. She obeyed and was baptized in Jesus name!

A new Aim Family (Fallons) just arrived on the field. They are going to be such a blessing to the work. We have been aggressively looking for housing and transportation for this family. Just found a van big enough for them as they are now expecting another to be born in January.

- This was one of the busiest months I have had in a very long time. We had a new Aim Family arrive (Fallons). They are from Canada and were here 10 years ago. Since then they got married and have had some kids! We are expecting some great things with this precious family. It has been a challenge to locate housing for this family and vehicle within their budget. Many places here in Okinawa do not really like to rent to foreigners due to language issues. But I am happy to report they have just found an apartment and a van. God is so good to us.
- Northern Region and Southern Region Conferences were held in Tokyo city and Okinawa City. They were only one week apart and that had us do a lot of travel in a short time! Many were filled with the Holy Ghost in these meetings and many noted miracles took place.
- Continuing to have Japanese-spoken only services in our main campus and it is exciting to see the Japanese grow in confidence.
- Continuing to teach in our two Purpose Institute Campuses. We are currently in semester 2.
- Friday nights have turned into discipleship training and training-the-trainer-type classes.

Blessed to be a part of the Northern Region Conference held in Tokyo, Japan. Many filled with the Holy Ghost and other noted miracles took place.

We finally found a MTM vehicle that will fit brother Harris! They are so excited to find this car.
